Page 2 – Asbestos Laboratory License

The following documentation are required, in accordance with §295.54(f) of the Texas Asbestos Health Protection Rules:

For an initial license, please provide all of the following:

If renewing, please provide all of the following except items #2

- ___ 1. A corporate certificate of good standing from the State Comptroller of Public Accounts, Austin, Texas.
- ___ 2. For foreign or out-of-state corporations, a certificate of authority to conduct business in Texas from the Secretary of State, Austin, Texas.
- ___ 3. A copy of a certificate of insurance written by a provider authorized to conduct business in Texas providing asbestos abatement professional/pollution liability coverage for error and omissions in the amount of \$1,000,000 with the Texas Department of Health named as certificate holder with a 10-day notice of cancellation.
- ___ 4. Evidence of workers compensation insurance issued by a company authorized and licensed to issue workers compensation insurance in this state and written in this state on the Texas form, or evidence of self-insurance if workers compensation is required by the specifications or owner.
- ___ 5. To be eligible for licensure, applicants must submit evidence of accreditation and proof of proficiency of at least one of the following:
 - ___ a. accreditation by the National Voluntary Laboratory Program (NVLAP) and enrollment in the NIOSH Proficiency Analytical Testing (PAT) Program, or ;
 - ___ b. accreditation as an Industrial Hygiene Laboratory by the American Industrial Hygiene Association (AIHA) which includes the PAT program or;
 - ___ c. proficiency according to the standards of the AIHA Proficiency Analytical Testing (PAT) Program, which includes quarterly proficiency testing for airborne fibers or bulk materials, or;
 - ___ d. accreditation of the individual analysts through the AIHA Asbestos Analysts Registry (AAR) and a quality assurance/quality control program, as required by the NIOSH 7400 method, which includes quarterly sample tests (PAT) for airborne fiber counting.All of these should include most recently available results of PAT rounds for PCM and/or most recently available results of NVLAP sponsored proficiency tests for TEM and/or PLM in accordance with subsection (d).
- ___ 6. Copies of any notices of violation and citations issued by the Texas Department of Health, if renewing, only within the last year.

IMPORTANT

- * If your application is complete, allow a minimum of three weeks for processing once received by the licensing section.
- * Within 30 days of receipt of your application, a "Deficiency Notification" form will be sent if additional documentation is required or errors are contained in your application. From the date of the "Deficiency Notification" form, you have 90 days to complete your application, after which it will be denied due to abandonment [§295.38(e)(2)(A) of the Texas Asbestos Health Protection Rules].
- * If your license is lost or stolen, you must request, complete, and submit an "Application for Duplicate Asbestos License" form. This form may be obtained at the address or telephone number shown on page 1 of this application.
- * Make sure you have completed all appropriate sections of this form. Sign and date the application, and return it to the address shown below:
